911 Coordinator

Gary Schwab - Jones County 911 Coordinator

NOTE: Had difficulty getting a Zoom connection for anyone to work. As a result an official meeting did not happen. Instead it was more of a general discussion.

Schwab stated that the Smart911 program was due for renewal and to get the best price it would require signing up for a three-year contract. Schwab also state that the number of registrations is a little disappointing. Some ideas were floated about ways to get some marketing help and the consensus was that the concept is good and generally those on the line would like to see the program continue.
