Old Business: There was no old business.

New Business:

A. The board discussed the creation of a Transfer Station written safety plan at the suggestion of IMWCA. Presto agreed to help with the process with input from Staci from IMWCA. Taylor was advised to reach out to the Chairman of the Safety Board for input.

B. Taylor proposed setting a minimum monthly average usage level for charge customers to minimize the time and expense of generating and processing small dollar invoices. The issue was tabled until the July meeting to allow Taylor provide data on monthly account usage.
