

**JONES COUNTY CONSERVATION
TREE PLANTER RENTAL AGREEMENT**

PURPOSE OF PROGRAM:

The Jones County Conservation Board has purchased two tree planters for use by landowners and other organizations. These planters are to plant tree and shrub seedlings.

BENEFITS AS A RESULT OF THIS PROGRAM ARE:

1. Private land owners benefit from planting trees or shrubs for windrows or shelterbelts.
 2. Enhancement of wildlife habitat.
 3. Protection against soil loss and erosion.
 4. Reforestation is made easier.

I, undersigned agree to the following:

1. The check of equipment passed an inspection of safety, prior to the undersigned taking equipment to be used, and will return in the same working manner.
2. Use of the equipment in a responsible manner, and at renter's expense, repair or have repaired (using genuine "Truax" parts) any part or portion damaged by negligence or misuse.
3. Pay to the Jones County Conservation Department all charges noted in this agreement.
4. I, the undersigned, will be the operator of the rented equipment and I am familiar with the equipment, it's use and operation so to insure I will be able to operate it properly and safely.
5. To assume all risk of personal injury or property damage connected, directly or indirectly, with my use or the rented equipment. As renter, I further agree to immediately, defend and hold Jones County, The Jones County Conservation Board, and the Jones County Soil and Water Conservation District, and each and all loss, liability, expense, claims, costs, suits, or damages connected, directly or indirectly, with the use or rented equipment, and which was not caused by the acts or omission of Jones County, the Jones County Conservation Board, the Jones County Soil and Water Conservation District, their officers and or employees. I hereby represent that I have in effect liability policy of insurance which will provide adequate coverage for my obligations under this provision.
